Recovery Strategy for Pupils Returning to School

Dear Parents and Carers,

We are awaiting further clarification and guidance from South Lanarkshire Council regarding the Recovery Strategy from COVID 19. As soon as we are permitted, information will be shared with you about the following:

- Cleaning and hygiene measures
- Risk assessment,
- Models of delivering Education
- Blended learning
- Transport
- Staggered Drop Off and Pick Up times, Lunchtime arrangements, etc.

I have been asked to share a parental survey with you about accessing transport to school. South Lanarkshire Council are gauging views on the uptake levels for school transport. The link is attached below and you are asked to complete the survey by Sunday 14th June.

<https://forms.gle/Fi5TW7aUR96MubPH9>

In the meantime I can confirm that pupils will still be required to wear school uniform next session. (I know that some parents have already purchased this!) I have spoken to a small number of parents and the Chair of the Parent Council and we are in agreement that our high standards of uniform should continue. In doing so we will confirm our sense of identity with our school and reflect our high standards of behaviour and attitude to learning.

Uniform would consist of:

Trousers, skirts, polo shirts, shirts (Hopefully ties at some point in the future!), cardigans, sweatshirts etc. but no P.E. kit.

In the week beginning 22nd June we hope to be in a position to inform you of your child's class for next year by post. This communication will also contain your child's Report Card.

Please continue to take care and stay safe.

Yours sincerely,

Mrs Beacom
Head Teacher
